

Title: "Missing Cycle Based Carrier Modulation"

Serial No. 09/511,470

Attorney Docket No. ICL-2-002

Responsive to Office Action Mailed: February 22, 2005

Original Response Filing Date: March 14, 2005

Amended Response Filing Date: April 15, 2005

**REMARKS**

The Examiner has objected to informalities contained in Claims 4-22 33-42 and 45-54. Applicant has corrected the Examiner's objections, as suggested, in the amendment above and respectfully requests the Examiner allow this important application, as amended, proceed to issuance.

Amended Claims 4-22, 33-42 and 45-54 now appear in the application with all informalities corrected and all dependent claims now depend from claims Examiner has indicated he would allow. Reconsideration of the application and the patentable merits of the subject matter covered by these claims is respectfully requested. Applicant submits that claims 4-22, 33-42 and 45-54 are allowable and respectfully requests early favorable action by the Examiner.

If the Examiner believes a telephonic interview with Applicant's representative would aid in the prosecution of this application, he is cordially invited to contact Applicant's representative at the below listed number.
